The Governor James J. Florio Special Events Forum

Edward J. Bloustein School of Planning and Public Policy, Rutgers University

33 Livingston Avenue, New Brunswick, NJ

Find information on directions and parking [here](#)

Join the New Jersey [Climate Change Resource Center](#) and the Rutgers University Bloustein School of Planning and Public Policy's [Environmental Analysis and Communications Group](#) in a discussion with flood hazard experts from the New Jersey Department of Environmental Protection. Learn more about recently adopted state regulations regarding flooding and stormwater management and hear about new regulations and guidance on the horizon.

THIS EVENT IS FREE AND OPEN TO THE PUBLIC, BUT SPACE IS LIMITED AND REGISTRATION IS REQUIRED.
